

**A Cordial Invitation**

In hereby extended the ladies of Houston and visitors in the city to call and see the extensive improvements we have recently made in our store for the convenience of our customers.

Our retail department covers more space than any grocery house in the State. We have a large stock of foreign and American specialties, especially for ladies placing their orders. Gentlemanly salesmen in readiness at all times to serve the most fastidious customer. The store is well lighted and ventilated, so that will make it a pleasure for them to leave their money with us. Our city delivery is well organized and prompt, and with discretion. Our usual order department is in the hands of experienced men, insuring promptness and correctness in filling orders, to which the customer can always be given as if purchased were here in person.

Our goods are always fresh and of the best quality; no old stock can ever be found in our store. Our prices are reasonable. Our sales are too rapid to permit it.
